

RALPH R. FRERICHS

Date prepared: March 2019

Home Address: 255 W. Grandview Avenue, Sierra Madre, CA 91024

Work Address: Department of Epidemiology
Fielding School of Public Health
University of California, Los Angeles (UCLA), Los Angeles, CA 90095-1772

Email: frerichs@ucla.edu

Born: October 3, 1942 Berlin, Germany

Spouse: Marcy M. Frerichs (deceased), Rita J. Flynn

Children: Peter M. Frerichs (June 8, 1975)
Christine J. Frerichs (July 29, 1979)

Current Position:

Professor Emeritus of Epidemiology
UCLA School of Public Health November 1, 2008 - present

Past Positions:

Professor of Epidemiology
UCLA School of Public Health, Los Angeles, CA 1984-2008

Chairman, Department of Epidemiology
UCLA School of Public Health, Los Angeles, CA 1988-2001

Assistant and Associate Professor of Epidemiology
UCLA School of Public Health, Los Angeles, CA 1978-1984

Assistant Professor
Department of Public Health and Preventive Medicine
Louisiana State University (LSU) Medical School
New Orleans, LA 1973-1978

Epidemiologist
Specialized Center of Research - Arteriosclerosis (SCOR-A)
L.S.U. Medical Center, New Orleans, LA 1973-1978

Instructor
Department of Epidemiology
Tulane School of Public Health and Tropical Medicine
New Orleans, LA 1972-1973

Research Associate
International Center for Medical Research and Training (ICMRT)
Tulane University
University del Valle Cali, Colombia 1971-1972

Lecturer
Department of Epidemiology
Tulane School of Public Health and Tropical Medicine
New Orleans, LA 1971

Second Lieutenant, First Lieutenant, Captain
United States Army Veterinary Corps
Birmingham, AL 1967-1969

Professional Experience:

- Consultant: Survey of low-cost health delivery systems in developing countries, APHA, Washington, DC (1977)
- Consultant: Rural health care delivery project, USAID and American Public Health Association (APHA), La Paz and Santa Cruz, Bolivia (Aug, 1975; Aug, 1976; Sept, 1977; June, 1978)
- Consultant: Bolivian rural health information system, Management Sciences for Health (MSH), Boston, Massachusetts (Sept, 1978)
- Consultant: Determinants of infant feeding practices, United States Agency for International Development (USAID), Ministry of Health, Tegucigalpa, Honduras (Sept, 1981)
- Consultant: Heptachlor in Hawaii - the Feasibility of an Epidemiologic Survey, United States Environmental Protection Agency (EPA), Honolulu, Hawaii (Sept-Oct, 1984)
- Consultant: Microcomputers and epidemiologic analyses, Western Consortium for Public Health, Inc., National Institute of Prev. and Social Medicine, Dhaka, Bangladesh (Nov-Dec, 1984)
- Program Chairman of Epidemiology Section: American Public Health Association (1984-1986)
- Board of Directors: Western Consortium for Public Health, Inc., Berkeley, CA (1986-1990)
- Review Committee: Programmatic Association between the Schools of Public Health and Veterinary Medicine, University of Minnesota, Minneapolis, Minnesota (Nov, 1986)
- Consultant: Burma Primary Health Care Project, Western Consortium for Public Health, Inc., Ministry of Health, Rangoon, Burma (Aug-Sept, 1985; Jan-Feb, 1986; July-Aug, 1986; April-May, 1987)
- Temporary advisor: World Health Organization Special Program on AIDS, Geneva, Switzerland (Sept, 1987)
- Consultant: Rapid computer-assisted surveys, University Research Corporation (URC/PRICOR), Management Improvement Unit, Ministry of Health, Sisaket, Thailand (Nov-Dec, 1987)
- Ralph Sachs Visiting Scholar: Rapid Surveys in Developing Countries, University of California at Berkeley, Berkeley, California (March, 1988)

- World Health Organization (WHO) Consultant: Department of Epidemiology and Biostatistics, University of the Philippines at Manila, Manila, Philippines (Sept, 1988)
- Consultant: Operations research on acute respiratory infections, Western Consortium for Public Health, Inc. and University Research Corporation (URC/PRICOR), Center for Child Survival, University of Indonesia at Depok, Jakarta, Indonesia (July, 1988; July, 1989)
- Consultant: Rapid computer-assisted surveys, Family Health International, Durham, North Carolina (Jan, 1989)
- Organizer and workshop presenter: Rapid microcomputer-assisted surveys for AIDS investigations, UCLA/Fogarty AIDS Training Prog., Brasilia, Brazil (Sept, 1989), Manila, Philippines (Sept, 1989), Bangkok, Thailand (Aug, 1989), Jakarta, Indonesia (Sept, 1990)
- Guest Editor: Rapid epidemiologic assessment (supplement edition), International Journal of Epidemiology (1989-90)
- Consultant: Operations research on family planning, The Population Council, Nairobi, Kenya (July, 1990)
- Program Chairman: XII Scientific Meeting of the International Epidemiological Association (IEA), August 5-9, 1990, Los Angeles, California (1989-90)
- Organizer and workshop presenter: Policy-oriented epidemiological research on HIV/AIDS, UCLA/Fogarty AIDS Training Program, Bangkok, Thailand (Sept, 1990 and July, 1991) and Manila, Philippines (Sept, 1990)
- Consultant: HIV surveillance and leprosy research, Ministry of Health, Yangon, Union of Myanmar (July, 1991)
- Consultant: Surveillance for HIV/AIDS. Department of Health and United States Agency for International Development, Manila, Philippines (August, 1991)
- Technical Advisor: Survey for Vitamin A Deficiency (Sudarto Ronoatmodjo), Indonesia. Agency for International Development/Jakarta, Los Angeles (August, 1991)
- Organizer and workshop presenter: Surveillance for HIV/AIDS, World AIDS Foundation, Yangon, Myanmar (Dec. 10-14, 1991)
- Technical Advisor: Surveillance for HIV/AIDS) Information for Action (workshop conducted by R. Detels and K. Ungchusak). UCLA/Fogarty AIDS Training Program, Manila, Philippines (January, 1992)
- Consultant: Implementation of an HIV/AIDS Control Program for the Philippines) A Proposal for Action (report jointly prepared with R. Detels). United States Agency for International Development, Manila, Philippines (February, 1992)
- Technical Advisor: The HIV/AIDS Epidemic (workshop conducted by R. Detels). UCLA/Fogarty AIDS Training Program, Rio de Janeiro, Brazil (February, 1992)
- Organizer and workshop presenter: Establishing an effective surveillance system for HIV/AIDS, World AIDS Foundation, Jakarta, Indonesia (March 23-27, 1992)
- Consultant: Integrated approach to operations research for strengthening the MOH Family Planning Program in Kenya, Population Council, Nairobi, Kenya (June 30-July 11, 1992)
- Consultant: Field evaluation of ELISA assays using saliva versus serum for HIV surveillance, Saliva Diagnostic Systems, Yangon, Myanmar (July 18-25, 1992)
- Consultant: Proposed comparison of ELISA assays using saliva versus serum in an HIV sentinel surveillance program, Saliva Diagnostic Systems, Bangkok, Thailand (July 26-29, 1992)
- Organizer and workshop presenter: Rapid surveys for HIV/AIDS investigations, UCLA/Fogarty AIDS Training Program, Rio de Janeiro, Brazil (August 24-28, 1992)

- Organizer and workshop presenter: Advanced analysis of rapid surveys, JWCH Institute, Inc./ Immunization Demonstration Project, Los Angeles, CA (September 9-14, 1992)
- Organizer and workshop presenter: Evaluation of HIV sentinel surveillance, UCLA/Fogarty International HIV/AIDS Training Program, Chaing Rai, Thailand (October 12-16, 1992)
- Organizer and workshop presenter: HIV Surveillance and control activities, World AIDS Foundation, Yangon, Myanmar (Dec. 14-18, 1992)
- Consultant: Thailand MOPH/SDS Saliva Study, Saliva Diagnostic Systems; Hat Yai, Chonburi, and Bangkok, Thailand (Dec. 20-23, 1992)
- Organizer and workshop presenter: Information for action: surveillance for HIV/AIDS, World AIDS Foundation, Sawangan (Jakarta), Indonesia (June 28-July 2, 1993)
- Consultant: HIV/AIDS in Asia. Saliva Diagnostic Systems and Ministry of Health, Lao People's Democratic Republic, July 5-6, 1993
- Consultant: Using Saliva for Surveillance and Control of HIV/AIDS. Saliva Diagnostic Systems and Ministry of Health, Socialist Republic of Vietnam (Hanoi and Ho Chi Minh City) (July 6-10, 1993)
- Consultant: HIV/AIDS in Asia and the Use of Saliva for detecting HIV antibodies. Saliva Diagnostic Systems and Ministry of Health, Cambodia, (July 10-13, 1993)
- Consultant: Thailand MOPH/SDS Saliva Study, Saliva Diagnostic Systems, Bangkok, Thailand (July 13-24, 1993)
- Consultant: Myanmar DOH/SDS Saliva Pooling Study, Saliva Diagnostic Systems and AIDS Prevention and Control Program, Yangon, Myanmar (July 24-31, 1993)
- Consultant: Use of saliva for HIV surveillance and control in developing countries, Saliva Diagnostic Systems, Sao Paulo, Rio de Janeiro, and Porto Alegre, Brazil (Aug 28-Sept 5, 1993)
- Organizer and workshop presenter: Epidemiology and sentinel surveillance of HIV/AIDS, UCLA/Fogarty International HIV/AIDS Training Program, Mandalay, Myanmar (Jan. 3-7, 1994)
- Organizer and workshop presenter: Applications of epidemiology to decision-making and policy formulation for control of HIV/AIDS, East-West Program on Population, University of Hawaii and UCLA, Honolulu, Hawaii (June 20-July 1, 1994)
- Organizer and workshop presenter: Information for action: use of epidemiology for policy formulation to control HIV/AIDS, UCLA/Fogarty International HIV/AIDS Training Program, Nha Trang, Vietnam (July 25-29, 1994)
- Consultant: Stability in the tropic of HIV antibody testing with saliva, Saliva Diagnostic Systems, and Ministry of Health, Yangon, Myanmar (Aug. 3-6, 1994)
- Organizer and workshop presenter: Epidemiology and control of HIV/AIDS, UCLA/Fogarty International HIV/AIDS Training Program, Micronesia (Guam, Palau, Saipan, Chuuk, Kosrae, Marshal Islands) (Sept. 4-22, 1994)
- Consultant: HIV testing of blood and sexual partners in remote regions. United Nations Development Program (UNDP) and Ministry of Health, Yangon, Myanmar (Aug. 26 - Sept. 2, 1995)
- Organizer and workshop presenter: Policy analysis for HIV control, Chulalongkorn University, UCLA/Fogarty International HIV/AIDS Training Program, and University of Hawaii, Bangkok, Thailand (Sept. 4-15, 1995)
- Organizer and workshop presenter: Surveillance, screening and control of HIV, University of Alabama at Birmingham, UCLA/Fogarty International HIV/AIDS Training Program, and International Centre for Diarrhoeal Disease Research, Bangladesh (ICDDR,B), Dhaka, Bangladesh (Sept. 23-27, 1995)

- Consultant: Surveillance systems for HIV control, Institute of Epidemiology, Disease Control and Research (IEDCR), Bangladesh; UCLA/Fogarty International HIV/AIDS Training Program; and the University of Alabama at Birmingham (UAB), Dhaka, Bangladesh (Sept. 28, 1995)
- Organizer and workshop presenter: Developing policy to control HIV in Asia, Chulalongkorn University, UCLA/Fogarty International HIV/AIDS Training Program, and University of Hawaii, Bangkok, Thailand (Sept. 2-13, 1996)
- Consultant: Review of public health programs and services. Technical Assistance Group, UCLA School of Public Health, and Los Angeles County Department of Health Services, Los Angeles, CA (June - July, 1997)
- Consultant: Young Child Immunization Survey. Immunization Program, Los Angeles County Department of Health Services, Los Angeles, CA (July - August, 1997)
- Consultant: Review and evaluation of HIV sentinel surveillance program in Myanmar. United Nations Development Program (UNDP), Yangon, Myanmar (Aug. 31- Sept. 6, 1997)
- Organizer and workshop presenter: Policy development for HIV control in Asia, Chulalongkorn University, UCLA/Fogarty International HIV/AIDS Training Program, and East-West Center, University of Hawaii, Bangkok, Thailand (Sept. 8-19, 1997)
- Organizer and workshop presenter: Developing HIV control policy in Asia, Chulalongkorn University, UCLA/Fogarty International HIV/AIDS Training Program, and East-West Center, University of Hawaii, Bangkok, Thailand (August 24 - Sept. 4, 1998)
- Workshop presenter: HIV in Mongolia. Albert Schweitzer Foundation, Ulaanbaatar, Mongolia (Sept. 10 - 13, 1998)
- Consultant: Cost-effectiveness of HIV/AIDS/STD control programs in Mongolia. United Nations Development Program (UNDP), Ulaanbaatar, Mongolia (Dec. 14-23, 1998)
- Consultant: Second generation HIV sentinel surveillance. United Nations Development Program (UNDP) and the AIDS Control Program, Yangon, Myanmar (September 12-18, 1999)
- Consultant: Measurement and surveillance of STD/HIV/AIDS. United Nations AIDS (UNAIDS) and the United Nations Development Program (UNDP), Ulaanbaatar, Mongolia (September 23-24, 1999).
- Internet developer: John Snow – a historical giant in epidemiology (<http://www.ph.ucla.edu/epi/snow.html>; sabbatical leave, December 15, 1999 - April 1, 2000).
- Organizer and workshop presenter: Advanced research methods: community-based surveys, The Population Council, Hanoi, Vietnam (August 14-31, 2000)
- Organizer and workshop presenter: Rapid surveys, Hanoi School of Public Health, Hanoi, Vietnam (August 15-19, 2005)
- Organizer and workshop presenter: Rapid surveys, Field Epidemiology Training Program, Thailand Ministry of Public Health, Nanthaburi, Thailand (August 6-10, 2007)
- Organizer and workshop presenter: Rapid surveys, Field Epidemiology and Laboratory Training Program, United States Centers for Disease Control and Prevention (CDC), Georgian National Center for Disease Control and Public Health, Tbilisi, Georgia (May 3-14, 2010)

Education:

Undergraduate

University of Illinois

Champaign-Urbana, Illinois..... 1960 - 63

Bachelor of Science (B.S.)
University of Illinois, College of Veterinary Medicine
Urbana, Illinois 1965

Doctor of Veterinary Medicine (D.V.M.)
University of Illinois, College of Veterinary Medicine
Urbana, Illinois 1967

Master of Public Health (M.P.H., Epidemiology)
Tulane University, School of Public Health and Tropical Medicine
New Orleans, Louisiana..... 1970

Doctor of Public Health (Dr.P.H., Epidemiology)
Tulane University, School of Public Health and Tropical Medicine
New Orleans, Louisiana..... 1973

Fellowships:

Epidemiology Training Grant
United States Public Health Service Traineeship 1969 - 71

International Center for Medical Research and Training (ICMRT)
United States Department of Health, Education and Welfare
National Institutes of Health..... 1971 - 72

Dissertation:

Development of a Computer Simulation Model for the Control of Urban Rabies, 273 pp, © Tulane University, New Orleans, LA, 1973

Awards and Honors:

Delta Omega Public Health Honor Society 1970
American Epidemiological Society 1982
Ralph R. Sachs Visiting Scholar, University of California at Berkeley 1988
Outstanding Alumnus Award, Tulane School of Public Health, New Orleans 1992
Prestigious Plaque for HIV/AIDS education, Ministry of Public Health, Thailand
and College of Public Health, Chulalongkorn University, Bangkok, Thailand..... 1997

Professional Affiliations:

American College of Epidemiology (ACE, Fellow) Board of Directors (1999-2002)
American Epidemiological Society (AES, Fellow)
American Public Health Association (APHA, Member)
International Epidemiological Association (IEA, Member)
Society for Epidemiologic Research (SER, Member)

Contracts or Grants:

USAID - Bolivia: Analysis of Bolivian health survey/RHDS project (PI), \$7,500, 2/8/79 - 8/8/79
AHA - Los Angeles: Cardiovascular disease in Los Angeles County (Co-PI), \$126,735, 11/15/79 - 10/31/84
EPA/SDLAC: Epidemiologic assessment of the health impact of groundwater recharge, Montebello Forebay (PI), \$541,617, 10/1/79 - 8/12/83, (CSD 2402; EPA R806399010)
NIMH: Epidemiology of depression and help-seeking behavior, \$1,153,369, 9/29/78 - 8/31/85, (MH32267)
County of Kern: Immunization status survey for Kern County (PI). \$16,800, 6/1/93 - 4/30/94. County of Los Angeles
Assessment of Measles Immune Status Using Saliva (AMISS) (PI), \$12,765, 6/19/95 - 8/18/95
National Institutes of Health. UCLA/Fogarty AIDS International Training and Research Program (AITRP) (Associate Director), \$3,249,793, 9/21/93 - 9/20/03
